## Notes re the Trip and Application Process

### **Application Process:**

We require one application per room requested. If you have already listed your roommates on the application, the others do not need to apply separately. Please note that the primary applicant is responsible for forwarding all emails and information received about the trip to your other roommates.

You do not need to have your club membership in place when you apply for the trip, but before the actual trip date you must confirm that you have completed your membership by providing your new member number to the trip coordinator, preferably by email.

When you complete your application form online, an acknowledgement screen will be presented which provides a link to download a printable copy of your completed application for your records. You should also receive an automated message to the email address you supply which will provide the same information and your printable application form as an attachment.

Rooms are a mixture of Studios and Suites, all with full kitchens and fridge, and either two beds (Q) or 1 bed (K or Q) and a sofa couch. Triple accommodation is possible provided that two beds are sufficient. Quad occupancy is also possible with the same condition. (Please inquire.)

### **Lift Tickets:**

Since most people who take part in these trips depart for home on Friday mornings without skiing that day, we have priced the default package with a 4-day ski pass instead of 5 to reduce the cost of the base package. This lift ticket is valid any 4 of the 5 days (Monday-Friday), so it should also work well for those who expect to skip a day in the middle of the week to do other activities.

We are also offering the option to substitute one day of this skiing at Le Massif instead of Mont Sainte Anne. Members who take this option will get a 3-day (out of 5) ticket for Mont Sainte Anne and a 1-day ticket for Le Massif. Those of us going to Le Massif will all have to go on the same day, tentatively Tuesday, unless forecast weather conditions for that day force us to choose a different day. A shuttle service (additional cost) is also available for those not wanting to drive their cars to Massif.

The additional cost for a 5th-day of skiing (Friday at Mont Sainte Anne) is shown on the front page.

**Please note** that participants under the normal age requirement for Club Membership must register as “non-skiers” and purchase their own lift tickets directly from the ski resort.
