

## *Ski Atlantic Seniors' Club*

Greetings SASC members,

For the 2020-2021 season the club's refund policy has been modified to extend the deadlines for requesting a refund of the SASCPass fee and extend the qualifying reasons for requesting a refund to include any COVID-19 related issues or concerns. Under the modified policy, requests for refunds received by the Registrar by January 31, 2021 will receive refunds of \$311 (the SASCPass fee) less \$17 for every day the member has already skied on their pass this year, and requests received between February 1 and 15 will receive \$155.50 (i.e. 50% of the SASCPass fee), again less a deduction of \$17 for every day skied. No refund requests will be accepted after February 15. This policy applies to those who would like to cancel their SASCPass altogether within that time frame. However, for those who retain their passes, we will continue to evaluate our response in consultation with ASRA, as the season unfolds

An electronic version of a club membership card will be sent out to members who have cancelled their Ski Pass
