Notes re the Trip and Application Process

Application Process:

We only require one application per room requested. If you have already listed your roommates on the application, the others do not need to apply separately.

You do not need to have your club membership in place when you apply for the trip, but before the actual trip date you must confirm that you have completed your membership by providing your new member number to the trip coordinator, preferably by email.

The Studio room has only a single Queen bed and is suitable for singles and couples. The other room types all have at least two beds (one of which may be a sofa-bed). Couples who prefer a particular room configuration should state that preference in the Comments box at the bottom of the form. There is a limited number of each room type available to our group, so it may not be possible to accommodate all requests.

Triple accommodation is possible in either Standard or Studio Deluxe rooms provided that the bed configuration in these rooms (2 queen bed equivalents) is suitable for the people sharing the room. Triples can be also accommodated in 1-bedrooms suites but at a higher rate. (There are only a few available.)

When you complete your application form online, an acknowledgement screen will be presented which provides a link to download a printable copy of your completed application for your records. You should also receive an automated message to the email address you supply which will provide the same information.

Lift Tickets:

We have observed that a significant number of people who take part in these trips depart for home on Friday mornings without skiing that day, so we have priced the default package with a 4-day ski pass instead of 5 to reduce the cost of the base package. This lift ticket is valid any 4 of the 5 days (Monday-Friday), so it should also work well for those who expect to skip a day in the middle of the week to do other activities. The additional cost for a 5-Day lift ticket is shown on the front page of this sheet.

The Monday morning mountain tour is conducted by ski instructors. The welcome packet at the hotel will include one ski lesson ticket valid for **either** the Monday Mountain Tour, **or** for one free ski lesson during the week. Additional ski lessons are available at \$10 per lesson. Ski lessons must be booked directly with the Perfect Turn Clinic at the resort.

Meals are buffet style, except for dinner on our last evening (Thursday), which will be a plated meal served by the restaurant staff. **Please choose your preferred entrée for the Thursday dinner on the application form.**
