

## Ski Atlantic Seniors' Club

The Ski Atlantic Seniors Club was founded by Kell Antoft in 1989 for active, enthusiastic seniors who enjoy the outdoors and love to ski.

The healthy, active, and positive lifestyle he promoted and encouraged inspires our club. The fact that he was still skiing and instructing at the age of 81 is a great inspiration to us all. Volunteers have continued his work and the club he founded thrives to this day.

## Membership

Membership is open to anyone **55+** or is the spouse of a current member. All members are welcome to participate in all club activities as well as to benefit from discounts negotiated by the Club and published annually on our website.

## Club Activities

All members are welcomed and encouraged to participate in club events.

Each year “Kell Antoft Days”, honouring our founder, are celebrated at participating ski hills. The ski hills in close proximity attempt to schedule within the same week to create a “mini-trip” for club members from other areas.

Certified instructors are available at most ski areas to conduct weekly ski clinics and to help seniors trying to ski for the first time.

The club organizes two full-week ski trips each year, typically to Québec and New England, and sometimes plans shorter trips to the Gaspé and neighbouring areas.

In the spirit of...

***“Fun, Fitness, Friendship”***,

our AGM is an event in June with dinner, social hour, usually entertainment and an outdoor activity.

Further information about the club’s ski trips and other activities are available on our website.
